INDEPENDENT AUDITORS' REPORT

Board of Directors
Catholic Community Foundation of Minnesota
St. Paul, Minnesota

We have audited the accompanying financial statements of Catholic Community Foundation of Minnesota, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Catholic Community Foundation of Minnesota

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Catholic Community Foundation of Minnesota as of June 30, 2017 and 2016, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

CATHOLIC COMMUNITY FOUNDATION OF MINNESOTA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 1 ORGANIZATION

Mission

Catholic Community Foundation of Minnesota (the Foundation) supports financially the spiritual, educational, and social needs of our Catholic community.

Nature of Organization

The Foundation inspires Catholic philanthropy and invests, manages, and distributes charitable assets as guided by our donors and our Catholic identity. The Foundation facilitates planned and current gifts to endowments and donor-advised funds which financially support needs in our Catholic community. The Foundation fulfills its mission by:

1. Seeking endowment funds that support its mission.
2. Helping donors achieve their charitable and financial goals.
3. Helping parishes, schools, and Catholic organizations meet their long-term financial needs.
4. Providing responsible and effective financial management of charitable assets.
5. Distributing grants according to donor intent and needs in the community.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Foundation's financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation

Net assets and revenues, gains, and losses are classified based on donor-imposed restrictions. Accordingly, net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted Net Assets – Resources over which the board of directors (board) has discretionary control, the majority of which are donor advised funds. Designated amounts represent those revenues which the board has set aside for a particular purpose.

Temporarily Restricted Net Assets – Those resources subject to donor-imposed restrictions, which will be satisfied by actions of the Foundation or passage of time. Upon satisfaction of these restrictions, temporarily restricted net assets are reclassified to unrestricted in the statement of activities as "Released from Restriction".

Permanently Restricted Net Assets – Those resources subject to a donor-imposed restriction that they be maintained permanently by the Foundation.

**CATHOLIC COMMUNITY FOUNDATION OF MINNESOTA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash equivalents include all highly liquid securities purchased with a maturity of three months or less, except for those managed as a part of the Foundation's long-term and intermediate term investment pools.

The Foundation maintains its cash accounts primarily at one financial institution. At times throughout the year, the Foundation's cash and cash equivalents balance may exceed amounts insured by the Federal Deposit Insurance Corporation and the Securities Investor Protection Corporation.

Pledges Receivable

Pledges are recorded at the present value of the amount expected to be collected. The discounts on those amounts are computed using an imputed interest rate applicable to the year in which the pledge is received. The full pledge receivable balance at both June 30, 2017 and 2016 is due from one donor and an allowance for uncollectible pledges had been deemed unwarranted.

Investments

Investments are carried at either deposit value or fair value. Donated investments are initially recorded at estimated fair value at the date of donation. Realized and unrealized gains and losses are recognized in the period in which they occur. Realized and unrealized gains and losses for investments, other than agency obligations and beneficiary endowments, are recorded in the statements of activities. Investment income and gains and losses on agency obligations and beneficiary endowment investments are reported as a direct increase or decrease to the obligations on the statements of financial position. Investment income and gains and losses for charitable remainder trusts are recorded within the trust activity.

The Foundation invests most of the endowments and agency funds in four investment pools managed by various investment managers exclusively for the Foundation. Investment income and realized and unrealized gains and losses from investments within the investment pools as well as investment costs are allocated monthly to the individual funds based on the relationship of the market value of each fund to the total market value of the pool as adjusted for additions to or distributions from those funds.

Beneficial Interest in Trusts

Donors established and funded charitable remainder trusts under which specified distributions are made to designated beneficiaries over the terms of their lives. Upon termination of the trusts, the Foundation receives the remaining assets. Beneficial interests in charitable remainder trusts are recorded at the fair value of the trusts' assets net of the present value of the estimated future payments to be made under the specific terms of the trust. Changes in net assets of the trusts are recorded as gains or losses in the statements of activities. Net assets and changes in the net assets are recorded as temporarily restricted.

CATHOLIC COMMUNITY FOUNDATION OF MINNESOTA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Grants Payable

Grant commitments are accrued and recognized as expense when approved by the board. All grants payable are expected to be paid within the year.

The Foundation, whose mission is to support the needs of the Catholic community, shares a minority of common directors or committee members with other Catholic schools, parishes, seminaries, and other organizations. It is the Foundation's policy to have each board or committee member disclose any conflict of interest. In those instances, the board or committee members are prohibited from voting on grants to these organizations.

Agency Funds

The Foundation manages and invests funds as an agent for parishes, schools, and service organizations within our Minnesota Catholic community. Deposits and withdrawals are made at the direction of the respective organization. Either party may cancel an agency agreement at any time.

Beneficiary Endowments

Beneficiary endowments are permanently restricted funds for which the contributing Catholic organization is also the sole beneficiary. Unlike other agency funds, the Foundation retains legal ownership of Beneficiary endowments. In accordance with accounting principles generally accepted in the United States of America, the Foundation must account for the fair market value of these funds as both assets and liabilities on the statements of financial position.

Split Interest Agreements

Charitable gift annuities and charitable remainder trusts are offered to donors wishing to make a deferred gift to the Family of Faith endowments, parish and school endowments, operating funds, or other charitable causes. Donors receive life income payments and the gift remainder is restricted for Foundation endowments or other charitable causes. Net earnings on charitable remainder trust investments in excess of the payments made to donors are also restricted for Foundation endowment programs or other charitable causes selected by the donor in the original gift instrument. Assets received are recorded at fair value on the date the agreement or trust is recognized. Liabilities on charitable gift annuities and charitable remainder trusts are established based on the present value of payments to be made. These liabilities are recalculated annually, based on life expectancy assumptions, and the resulting revaluation amount is included in the change in value of split-interest agreements in the statements of activities.

Contributions

Contributions, unconditional promises to give, and other assets are recognized at fair values and are recorded as made. All contributions are available for unrestricted use unless specifically restricted by the donor. All other donor-restricted contributions are reported as increases in temporary or permanently restricted net assets, depending on the nature of the restrictions. When these restrictions expire, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as released from restrictions.

CATHOLIC COMMUNITY FOUNDATION OF MINNESOTA
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions (Continued)

The Foundation accepts gifts of life insurance whereby a donor designates the Foundation as a full or partial beneficiary of a life insurance policy or transfers all incidence of ownership in a policy to the Foundation. The majority of these gifts represent permanently restricted contributions for the Family of Faith Endowment.

Members of the board contributed to the Foundation approximately \$623,000 and \$1,737,000 for the years ended June 30, 2017 and 2016, respectively.

Total contributions at June 30, 2017 and 2016, consists of 42% and 18% from one donor, respectively.

Investment Income

The Foundation accounts for investment income recorded in the statements of activities, including gains and losses on investments, as unrestricted, temporarily restricted, or permanently restricted revenue depending on the existence and/or nature of any donor restrictions related to the original contribution. When the donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as released from restrictions.

Functional Allocation of Expenses

The cost of various Foundation operations has been summarized on a functional basis in the statements of activities. Accordingly, certain expenses have been allocated among benefitting departments. Donor relations and development costs as shown in the accompanying statements of activities represent the Foundation's cost of donor relations and fund-raising activities.

Income Taxes

The Foundation is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and only unrelated business income is subject to federal and state income tax. The Foundation is a nonprivate foundation and contributions to the Foundation qualify as a charitable tax deduction by the contributor.

The Foundation follows the accounting standards for contingencies in evaluating uncertain tax positions. This guidance prescribes recognition threshold principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. No liability has been recognized by the Foundation due to the implementation of this standard. The Foundation's tax returns are subject to review and examination by federal and state authorities.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounting Estimates

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Fair Value Measurements

The Foundation follows an accounting standard that defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs used to measure fair value, and requires expanded disclosures about fair value measurements. In accordance with this standard, the Foundation has categorized its investments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy.

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of the hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Financial assets and liabilities recorded on the statements of financial position are categorized based on the inputs to the valuation techniques as follows:

Level 1 – Financial assets and liabilities are valued using inputs that are unadjusted quoted prices in active markets accessible at the measurement date of identical financial assets and liabilities. The inputs include those traded on an active exchange, such as the New York Stock Exchange, as well as U.S. Treasury and other U.S. government and agency mortgage-backed securities that are traded by dealers or brokers in active over-the-counter markets.

Level 2 – Financial assets and liabilities are valued using inputs of quoted prices for similar assets, or inputs that are observable, either directly or indirectly for substantially the full term through corroboration with observable market data.

Level 3 – Financial assets and liabilities are valued using pricing inputs which are unobservable for the assets, inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset.

Concentration of Credit Risk

The Foundation holds its investments in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect the Foundation's investment holdings and the amounts reported on the statements of financial position.

Subsequent Events

The Foundation has evaluated events and transactions for potential recognition or disclosure in these financial statements through October 3, 2017, the date the financial statements were available to be issued and believe no additional disclosures are required.

NOTE 3 INVESTMENTS

Investment securities, which are managed and held in safekeeping by others, are recorded at fair market value. The majority of the investments are held in four investment pools. Agency funds, beneficiary endowments, and other endowments are invested in three of the investment pools, and charitable gift annuities are invested in a fourth pool. Charitable remainder trusts, certain agency funds, and certain donor-advised funds are separately invested.

Investments consist of the following at June 30:

NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)

Subsequent to year-end, commitments were made to fund long-term investments in real assets for \$4 million and in hedge funds for \$6 million.

U.S. Government Securities

U.S. Government Securities include investments in U.S. Agency mortgage securities and collateralized mortgage obligations. This fund is structured as an institutional mutual fund and liquidity is provided only through the investment manager. Investing in U.S. Government securities provides diversification, interest income, low risk, and stability to the overall portfolio.

Fixed Income Securities

Fixed income securities include but are not limited to global bonds, foreign currency, emerging market debt, convertibles, and securitized debt and bank loans. The fair value calculation of these funds is based primarily on readily available quoted or comparable market prices.

Domestic and International Equities

Domestic and international equities are proprietary, institutional index funds comprised of publicly traded corporate stock. Investing in corporate stocks provides diversification, dividend income, and growth potential to the overall portfolio. The fair value calculation of these funds is based on readily available quoted or comparable market prices.

Hedge Funds

Hedge fund objectives are to achieve consistent positive returns with reduced risk. These funds utilize a combination of diversified strategies including global equity, long/short equity and credit, and quantitative and relative value/arbitrage that may include an event driven focus, bottom-up and top-down orientations and exposure to emerging markets, equity indices and equity index put and call options. The unobservable inputs used to determine fair value in this category has been estimated using the net asset value per share of the investments.

Private Equity

Private equity investments are structured as limited partnerships allowing for a variety of investment strategies including investments in illiquid debt and equity assets across multiple sectors and global markets. The unobservable inputs used to determine fair value has been estimated based on the capital account balances reported by underlying partnerships subject to the private capital fund of funds management review and judgment.

Real Assets

These funds consist of a diversified portfolio of commercial property and energy investments. The unobservable inputs used to determine fair value may include but are not limited to discounted cash flows, comparable asset analyses, third-party pricing services, and appraisals and bona fide offers.

NOTE 5 LINE OF CREDIT

The Foundation has available for operating needs, a line of credit with US Bank, secured by investments held in its custodial account, which allows it to borrow up to \$500,000 with interest accruing at London Interbank Offered Rate (LIBOR) plus 2.1%. The line was not drawn upon for operating needs during the course of the fiscal year, and there was no balance outstanding at either June 30, 2017 or 2016.

NOTE 6 LIFE INSURANCE

At June 30, 2017, the Foundation is owner and beneficiary of 35 life insurance policies with a total face value of approximately \$15,900,000 and cash surrender value of \$3,593,239. At June 30, 2016, the Foundation was owner and beneficiary of 43 life insurance policies with a total face value of approximately \$18,204,000 and cash surrender value of \$4,480,494.

NOTE 7 NET ASSETS

Net assets are classified based on donor-imposed restrictions. Endowment funds are recorded as net assets on the statements of financial position. The Family of Faith and Growing in Faith Endowments provide grants to Catholic schools, religious education, ministerial enrichment, and social outreach programs within our Minnesota Catholic community. The seminary endowments provide tuition support for the spiritual and educational development of those in ministry and pursuing ministry as a vocation. Parish and school endowments provide tuition aid and program support for parishes and schools within our Minnesota Catholic community. Community service endowments are established to provide support for other spiritual, educational, and social needs in the community.

Temporarily restricted net assets are available for the following purposes at June 30:

	2017	2016
Growing in Faith Capital Campaign	\$ 10,140,678	\$ 9,371,309
Family of Faith Program	4,498,590	2,790,011

Charitable Gift Annuities and Trusts	3,309,876	4,172,268
Total	<u>\$ 80,833,157</u>	<u>\$ 67,482,256</u>

Reclassifications were made to June 30, 2017 net assets to properly reflect donor intent. The reclassification decreased permanently restricted net assets by \$1,119,864 and temporarily restricted net assets by \$205,847, and increased unrestricted net assets by \$1,325,711.

Reclassifications were made to June 30, 2016 net assets to properly reflect donor intent. The reclassification increased permanently restricted net assets by \$135,609, decreased temporarily restricted net assets by \$217,079, and increased unrestricted net assets by \$81,470.

NOTE 8 ENDOWMENTS

The Foundation's endowment funds consist of various individual funds established for a variety of purposes. Its endowments include both donor restricted endowment funds and funds designated by the board to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Spending Policy

The Foundation has adopted investment and spending policies for endowments that are designed to ensure sustainability of the assets in perpetuity while providing reasonable stability and predictability of distributions for beneficiaries. Annually, the board of directors, after giving consideration to economic conditions, anticipated inflation or deflation, and the expected total return on investments, determines a spending rate to be applied to a rolling 20-quarter average balance of each endowment fund. The currently approved spending rate of 4% balances the need to preserve assets with the ability to meet the mission of the nonprofits receiving the annual distribution.

Funds with Deficiencies

From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires the Foundation to retain as a fund of perpetual duration. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$1,180,248 and \$2,157,749 as of June 30, 2017 and 2016, respectively. These deficiencies resulted from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the board.

NOTE 9 LEGAL MATTERS

Catholic Community Foundation of Minnesota has been named in a claim related to a bankruptcy case. The bankruptcy court rejected the motion in its entirety, a decision which was, upon appeal, affirmed by the District Court. The District Court's decision is currently being appealed.
